

April 2007 NL Greens Chapter Meeting April 1, 2007

Members Present Andy Derr (facilitator), Peter de la Rosa, Bud McCallister, Tim Hanser (recorder)

State Central Committee Report Nothing to Report

Treasurer's report No report, though Tim reports that no money was used on referendum publicity.

Thinking Green} Ronna sent out a list of open slots. A lot of slots are open after mid-April. Producer's meeting on April 9th. We will not have a show during the summer, but it would be good to have someone attend the producer's meeting. Contact Ronna for more details.

Referendum Follow-up 3-2 margin of victory, but not enough votes were counted. Current strategy is to push for change as a campaign platform item.

Election Strategy Meeting will be Tuesday at 7PM at 16 Cliff St (Derr/Anthony residence)}

Energy Platform Subcommittee Report} Ken drew up an outline and Peter presented the outline. Andy and Tim felt it was a good start, but more details such as websites with more in-depth information and some cost-benefit overview of installation was needed. Bud thought that presenting some of our plan at Hope Week at the Science & Technology Magnet School would be a good idea. More will be presented in May

March on Riverside Park, April 14 (step it up, [www.stepitup2007.org](http://www.stepitup2007.org))} Sierra Club is a sponsor.
